## THICK HOT CHOCOLATE

(love drink)

You will need:

300 ml of milk

100g of dark chocolate  
BELÖNING or CHOKLAD MÖRK

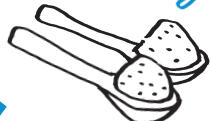

KAFFEREP  
raspberry  
biscuits

LÖRDAGSGODIS  
candies

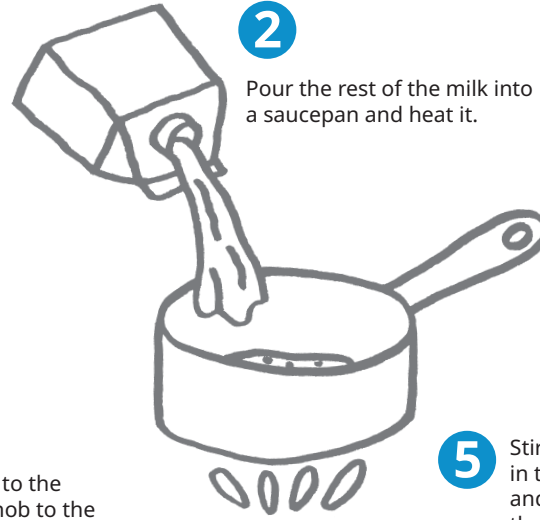

2 teaspoons powdered  
chocolate pudding

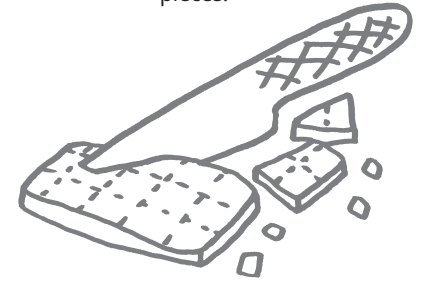

**1** Take about 4 tablespoons of the measured cold milk in a cup and mix the pudding powder in it.

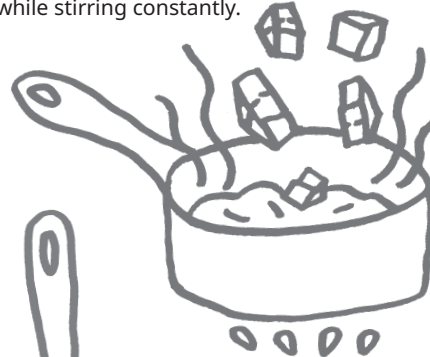

**2** Pour the rest of the milk into a saucepan and heat it.

**3** Cut the chocolate bar or break it into small pieces.

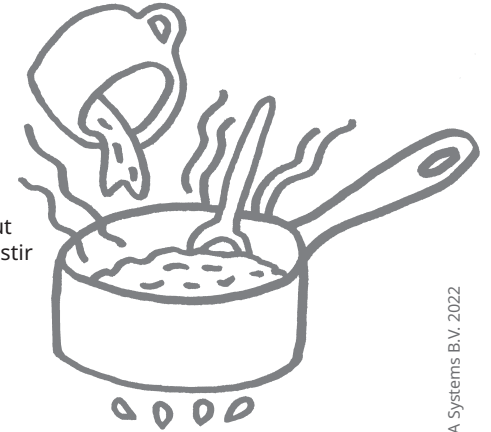

**4** Add the chocolate pieces to the hot milk, set the burner/hob to the lowest temperature and melt the chocolate while stirring constantly.

**5** Stir the pudding mix in the cup once more and pour it slowly into the saucepan, stirring constantly.

**6** Cook for about a minute and stir constantly.

**7** Pour hot chocolate into cups, place a KAFFEREP biscuit or a few LÖRDAGSGODIS candies on a saucer and you can serve a love drink.

Bon appetite!
