Welcome home to your sofa

GRÖNLID sofa has sections that you can combine to a size and shape that suits you perfectly. The deep seat cushions with a top layer of fibre balls and plenty of comfortable back cushions make the sofa soft and welcoming. You can also add and replace sections when you want – for example if a favourite corner has become a bit worn after many years. Perfect when you want an embracing sofa for many cosy evenings at home, lazy days and relaxed socialising with family and friends.

All the products (shown here) may not be available at the store. Please contact the staff or look at www.IKEA.my for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.

Combinations

Here we show some examples of how GRÖNLID sofa series can look, but you are free to customise the sofa to suit you and your needs. Decide the number of seats, shape of the sofa, what functions you want and of course a cover that feels right for

you. One tip is to use our helpful planning tool to explore all the possible combinations and possibilities. You can find the tool in the store and on www.IKEA.my.

GRÖNLID chaise longue.

How to convert

It is easy to transform GRÖNLID sofa-bed into a spacious and comfortable bed. Start by taking off the back- and seat cushions.

Fold down the fabric piece at the front edge of the seat. Then lift the underframe and pull it towards you. Finally, fold down the foot of the bed.

Good to know

Our fabrics have been tested

At IKEA we test the fabric covers on our sofas and armchairs so you can be sure they're durable. The fabric's ability to resist abrasion is tested by using a machine to rub it against another fabric while applying firm pressure. A fabric that can take 15,000 cycles is suitable for furniture that must withstand everyday life at home – and if it can take more than 30,000 cycles, it is very resistant to abrasion. All fabrics are sensitive to sunlight, which is why we also check that our fabrics resist fading effectively.

Durable in different ways

Tough tests are an important way to check the durability of our fabric covers, but they don't tell the whole story. Durability also depends on materials, construction and manner of use. Heavy, tightly woven fabrics with a flat surface are most resistant to abrasion. Fabrics with a mixture of natural and synthetic fibres can withstand abrasion better than fabrics with only natural fibers. Yarn-dyed fabrics are more durable than fabrics with printed patterns. And a dirty cover wears out faster than a clean one. The fabric is also affected by how you use your sofa of course. All our different coated fabrics have been treated to protect them and make them easy for you to look after. All have also been tested and approved for tear strength, flexibility and colour fastness, so you can be sure you will enjoy your new sofa or armchair for many years to come.

	Washing instructions	Resistance to abrasion (cycles)	Light-fastness (1-8)
Inseros: plain woven cotton with a smooth surface texture. 100% cotton.	Machine washable at 40°C.	35,000	5
Ljungen: hardwearing cover made of a polyester fabric with a soft, velvety surface and a slightly reflective lustre. 100% polyester.	Machine washable at 40°C.	45,000	5
Sporda: natural based textured fabric with two-toned melange effect. 57% cotton, 24% polyester, 19% linen.	Machine washable at 40°C.	25,000	5

Coated fabric

Coated fabric is a fabric material with a coating, which can be embossed to look like leather. It's a strong and durable material and very easy to care for – just vacuum the surface using the soft brush attachment on your vacuum cleaner and wipe with a damp cloth.

All our different coated fabrics have been treated to protect them and make them easy for you to look after. All have also been tested and approved for tear strength, flexibility and colour fastness, so you can be sure you will enjoy your new sofa or armchair for many years to come.

	Care instructions	Resistance to abrasion (cycles)	Light-fastness (1-8)
Kimstad: 75% polyester, 25% cotton base 100% polyurethane surface. Kimstad coated fabric is a soft yet hardwearing, fixed cover with the same look and feel as leather.	Care instructions: vacuum with the soft brush attachment and wipe with a damp cloth.	50,000	5
